**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

Mailstop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

This supplementary Election is responsive to the Notice of Non-Compliant Amendment mailed March 5, 2007. In Applicant's prior election of December 18, 2006, Group VII (corresponding to claims 42-49) was elected. The Examiner further requires election of a single species from the following two groups:

Group B, drawn to types of pharmaceutically active molecules recited in claim 49, in which either growth factors, enzymes, or therapeutic drugs are selected; and

Group C, drawn to types of treated retinal diseases recited in claim 45, in which either retinal detachment, gyrate atrophy, choroderemia, or age related macular degeneration is selected.

With traverse, Applicants hereby further elect examination of a therapeutic drug from species Group B, and age related macular degeneration from species Group C. Applicants respectfully
